***** REQUIREMENTS PRIOR TO INSPECTION ON BACK *****

Please read prior to completing this application

Dear applicant,

Please read these instructions prior to filling out the application for the CSAMAC. Fill out the application accurately and in its entirety. If the required fields are not completed the application will not be processed. Prior to submitting the application, please ensure the property has the following:

- **Smoke Alarms** -
 - required in each sleeping room/area (*City Ordinance*)
 - required outside (within 10') of each sleeping room/area
 - required on every level of the building
refer to the manufacturer's instructions for additional guidance for the placement of smoke alarms

Note: All smoke alarms must be installed and in working order at the time of inspection.

- Hardwired smoke alarms – must be replaced if older than 10 years after the date of manufacture (can be located on back of alarms)
- Battery operated smoke alarms – must be sealed battery type smoke alarms
- **Carbon Monoxide Alarms** – are required (as listed below) in any building where there are fuel burning appliances (i.e. natural or LP Gas heat, cooking, oil heat, fire places, etc.) It is also required if there is an attached garage to the building.
 - required outside (within 10') of each sleeping room/area
 - required on every level of the building
- **Secondary Power Source Labeling** – Must have a label installed within 18 inches of the main electrical panel and electrical meter. A secondary power source may include generators, solar panels, battery storage systems, or any other supplementary electrical energy source. The label shall read, “CAUTION: MULTIPLE SOURCES OF POWER.” The label **cannot** be handwritten.

Please DO NOT submit this application until all the above requirements have been met. Upon submitting the application, the inspection will be scheduled. If the property does not pass the initial inspection, a re-inspection must be scheduled and a re-inspection fee will be charged. Failure to obtain a CSAMAC certificate, the property owner is subject to a penalty up to \$2,000.00. Please feel free to contact the office if you have any questions at 609-846-2030.

Thank you for your cooperation.

Jacob M. Spiegel, Fire Official
