

Construction of upgrades and improvements to the City of Wildwood, FY2026 New Jersey Water Bank No. 0514001-007 Lead Service Line Replacement Program Contract – Phase 2 with a project cost of \$6,641,489.00 will be financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (Infrastructure Bank) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the Infrastructure Bank to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits by replacing lead and galvanized water service lines for residents and businesses across Diamond Beach, Wildwood Crest, Wildwood City, and North Wildwood.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
