**While we are flushing hydrants in your area you may experience low water pressure and discolored water.**

1. Customers are advised to refrain from doing laundry while flushing is being performed in your area.
2. After your area is flushed, allow your cold water to run for several minutes to clean any sediment out of your water service.
3. If your water does not clear up in a reasonable time, contact the Wildwood Water Utility at 609-846-0600
4. Your patience and cooperation while we are performing our flushing program is appreciated.
